Excellift / STAHL 10 Tonne Rail Gantry Cranes – 2 Units

Two Excellift rail-mounted travelling portal gantry cranes are available, each with a 10-tonne (10,000 kg) safe working load. The cranes are fitted with STAHL CraneSystems electric wire-rope hoists, steel wire rope and bottom hook blocks / lifting hooks. Each unit has a fabricated steel portal frame, powered transverse trolley travel and rail-travelling configuration for industrial material handling and heavy maintenance lifting. Outdoor installation, with yellow structural frames and STAHL/Excellift machinery components. Sold as-is-where-is.
